# RISING TOGETHER FOR MENTAL HEALTH

The Sunrise Challenge fundraiser invites Canadians to wake up with the sun for 5 days (May 30–June 3) to raise vital funds for CAMH, and hope for those who live with mental illness every day.

In this Participant Toolkit, you will find everything you need to let your friends, family, and colleagues know how they can support you in the challenge.

## WHY WE RISE

The funds, awareness, and hope raised through the Sunrise Challenge will fuel life-saving discoveries and break down the barriers that keep people from getting help when they need it most. We rise for those who've been affected by mental illness, for those who've lost their lives or a loved one to suicide, and to show those currently struggling that they don't have to go through this alone—that they matter, that help is out there, and that people care about them.

Visit [camh.ca](http://camh.ca) to see how we're accelerating the pace of change in mental health.

# TOP 10 FUNDRAISING TIPS

We know that asking for money seems difficult, but it doesn't have to be! These tips will set you up for success.

## 1. Tell people why you raise

We've all been affected by mental illness in some way. Let people know what supporting CAMH means to you.

## 2. Kickstart your campaign with a self-donation

This will count toward your fundraising total and be reflected on your personal fundraising page. It will also inspire others to give!

## 3. Customize your personal fundraising page

Share your story and upload a photo or video. Fundraisers who customize their page raise almost 10 times more than those who don't!

## 4. Create an action plan

Start by setting your fundraising goal—and be ambitious!

Next, create a list of people that you could ask for donations to help you reach this goal. As an example, your action plan could look something like this:

**Day 1 — Email #1:** Send to 5-10 very close contacts (family and your closest friends)

**Day 2 — Email #2:** Send to 10-25 close contacts (your entire circle of good friends)

**Day 3 — Email #3:** Send to as many other contacts that you feel comfortable reaching out to

**Day 4 — Social Media:** Use social media to promote the challenge and ask all of your friends/followers to support you with a donation

## 5. Upload your contacts and send emails

Did you know that fundraisers who share their page through email raise THREE times more than those who don't? You can create your own message or start with one of our pre-written templates.

## 6. Get social

Posting on social media (Facebook, Instagram, LinkedIn, Twitter, etc) is a great way to reach out to your network and ask for donations. Check out our social media specific tips on the next page.

## 7. See if your company has a gift matching program

Corporate gift matching is when a company pledges to financially match donations that their employees make to charitable organizations. Sometimes, companies will even match the amount an employee raises! Each company will have its own guidelines, so be sure to ask your HR department for more details.

## 8. Follow up

We all know that life gets busy, so a friendly follow-up after your initial donation ask is often very much appreciated.

## 9. Earn fundraising badges and rewards

As a fundraising incentive, CAMH is providing rewards and badges to celebrate your individual fundraising achievements. How many badge rewards can you collect?

## 10. Say thank you

Don't forget to say thank you! All of your online donors will receive a thank you email from CAMH Foundation, but a personal message from you will go a long way!

# SOCIAL MEDIA TIPS

In addition to sending out emails to people you know, posting about the challenge on social media is an easy and effective way to ask for donations. These social media specific tips will help you along the way.

## 1. Put your fundraising link in your bio on Instagram and include it in your Facebook posts.

This will make it easy for your followers to find and donate to support you in the Sunrise Challenge! You can find your fundraising link in your Participant Centre after you register.

## 2. Post your progress.

As you get closer to your fundraising goal, let your followers know exactly how much you still need to raise so they can help you cross the finish line!

## 3. Post daily.

Post your Sunrise Moment photo or video to social media every morning so your followers know you've been keeping up with the challenge.

## 4. Don't forget the hashtag.

Tag all of your challenge-related posts with #CAMHSunriseChallenge for a chance to be reposted/discovered by other participants! You can use this hashtag on Instagram, Facebook, TikTok, and Twitter.

## 5. Post on multiple platforms.

Are you active on multiple platforms like Instagram and TikTok? Posting your Sunrise Moment on multiple social media platforms is a great way to reach more potential supporters.
