

# CORPORATE MATCHING GIFT FORM

Corporate matching gift programs exist at many companies, where the company will financially match donations that their employees make to charitable organizations. When an employee makes a donation, they can request the matching gift from their employer, who then makes their own donation to CAMH. Sometimes, companies will even match what an employee raises. Each company will have their own matching gift guidelines, so be sure to ask your HR department if your company offers this program and what it involves.

If your employer has a matching gift program please complete this form, give this to your company's corporate representative, and email a signed copy to [sunrisechallenge@camh.ca](mailto:sunrisechallenge@camh.ca).
